01 Profile

Frontend developer and web designer who builds fast, responsive, high-converting websites for startups and businesses. 2.5+ years shipping production sites with React, Next.js, WordPress and Shopify, turning Figma designs into pixel-accurate pages. Design and development in one person, so nothing gets lost in hand-off.

02 Experience

Web Developer Executive · Nxuniq

Apr 2026 – Present

Bengaluru · Hybrid · Full-time

- Design, develop and optimise websites for better performance and user experience.
- Build and maintain WordPress / WooCommerce sites, from custom pages to product catalogues and checkout.
- Connect site forms and leads to CRM software; improve page speed and on-page SEO.

Junior Web Designer · Asvayuk Technologies

Feb 2024 – Mar 2026

Panchkula, Haryana · On-site · Full-time

- Developed responsive websites with HTML, CSS, JavaScript, Bootstrap and React, including Aster Clinic and the company site.
- Built and managed client sites on WordPress / WooCommerce, Shopify and Wix.
- Worked with designers and developers to improve UI/UX and ship scalable web solutions.

Teaching Faculty · SCI Computer Education

Sep 2022 – Dec 2023

Mani Majra, Chandigarh · Full-time

- Taught computer fundamentals, software applications and introductory programming.
- Supported website design work and Blackboard online classroom platforms.
